Eager to enter the professional world, gain valuable experience and contribute effectively. Seeking internship in dynamic, reputable organization for challenging opportunities to build knowledge and experience.

WORK EXPERIENCE

FINAL YEAR PROJECT

E-COMMERCE SUITS YOU JEWELRY APP

Developed as my Final Year Project (FYP), this mobile application was created using React Native for the front end and Firebase for the back-end. The project aimed to provide a complete e-commerce experience, highlighting my skills in app development. The app includes intuitive interfaces and real-time features for a smooth shopping experience.
